## Groups & Clubs

We have a lot of people who have a lot of diverse interests in the congregation. There are so many times we hear about something someone has done and we think, "I would like to do that too!"

We want to connect people who want to be more active with those who are already active. Consider filling out a card with what you and a friend are doing so that we connect others with your group.

Description:

We like to visit some of the walking trails around the city on Saturdays. We don't go far or fast, but we enjoy the time outdoors.
