**News and Notes from the Open Forum/Voters' Meeting:**

Last week at our Open Forum/Voters' Meeting we discussed moving forward with CCM. It was noted several times that this program does have a cost that we will have to pay for. At this time the council feels that there are necessary funds in the designated gifts along with any special gifts that the congregation might be willing to give.

The Diagnostic Analysis is also available for viewing. There were several comments about the content of the analysis. More comments may be made at our next meetings.

Finally, it was discussed to try something different that was more cost effective. At this time, the council feels this program gives us the best opportunity for ministerial growth.

The Open Forum was closed and the Voters' Meeting opened. There was one motion that was called for consideration. That motion was: The council moves to approve Phase 3 of CCM.

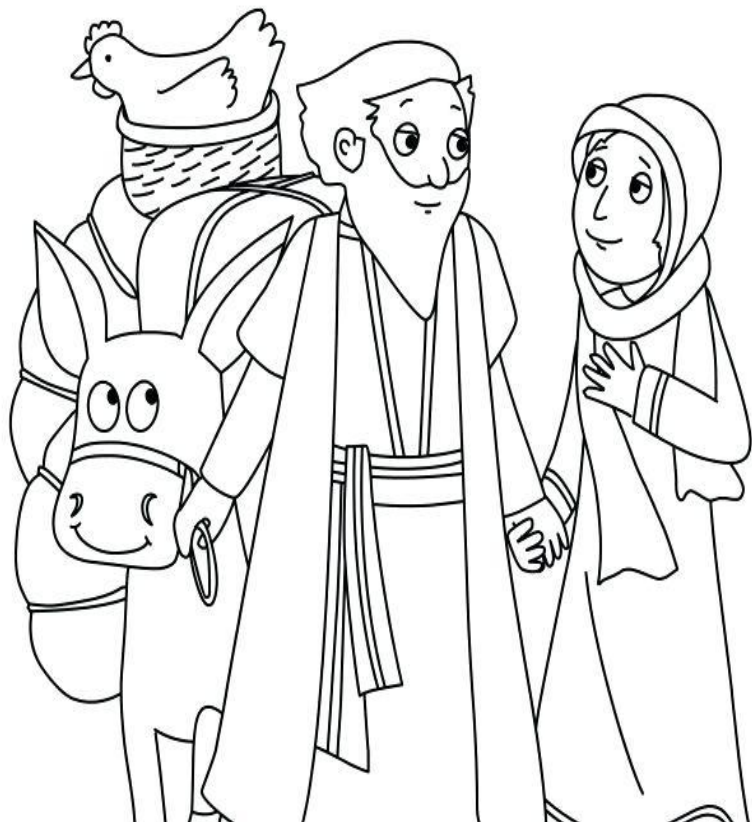

The motion was approved by a majority vote.

It was announced that our next seminar will be Saturday, October 12 from 8:45-12:30 PM. This seminar is for our entire congregation.

The Voters' Meeting was closed.

For the Kids..... and Young at Heart  
 Crayons and Pencils are available. Please ask an usher for help
