Over the next few weeks, we would like to delve into who we are as a church and what we want to accomplish, as God's children, through our church. In our Sunday Bible Study, we will look at what our core values are as a church and how we will spread the Word.

We would like all the members of Summerlin Lutheran Church to take an active role in our planning for the future. With God's help, we can begin the next chapter of our church by each and every one of us reaching out with the Word so that many more can hear about Jesus.

That effort starts this Sunday during our Faith and Fellowship Bible Hour and continues on into October for a seminar weekend on the 12th.

May God bless this work.
