Our Thanks to the Lord: Our congregation has prayerfully and thankfully chosen to support the ministry of our church through our thank offerings.

May God continue to bless us with his gifts and with a heart of praise and thanks to bring our offerings of thanks to do his work.

We thank all those who participated yesterday in our Crossroads Seminar. As we look to the future to plan what kind of ministry we will undertake, it is important that we look at why we are here and what God is asking us to do, as well as what we will do and why we will do it.

Please help us as we continue to plan with our Listening Sunday next Sunday following the worship service.

Mark Sprengeler is holding English as a Second Language classes. Things are going well. He has 8 students attending regularly with a few more contacts. Please pray that God works through this friendship evangelism to bring these people the message of Jesus.

We often talk about thanking our God for Jesus by growing in the knowledge of our Savior.

“How do we do that?” you might ask.

A life that is growing in faith is a life that is centered in God's Word through which the Holy Spirit is working to build that faith, grow it and shape it into a strong faith.

We offer opportunities to grow in faith in our Bible Studies.

Sunday Morning:

What I Believe... When we took our surveys for CCM we looked at a sheet that was entitled—What I Believe. During this study we will look at each of the statements from that sheet to see what the Bible says.

Wednesday Morning:

A Study of the book of Romans

In Romans, Paul draws the line between salvation by works and salvation by grace through faith.

Thursday Night:

Back to the Basics

This is a study of the doctrines of the Bible that we believe and teach.

Come and join one or all of our Studies to grow in the Word and in the faith!!!

For the Kids..... and Young at Heart
Crayons and Pencils are available. Please ask an usher for help

Jesus has paid the price for us
so that we can be his children.

Jesus paid the price to set us free from our sins.
